

Name \_\_\_\_\_

Trace and cut out the numbers. Match each number with the number of flowers in each box by pasting it inside the square.

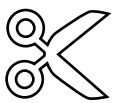

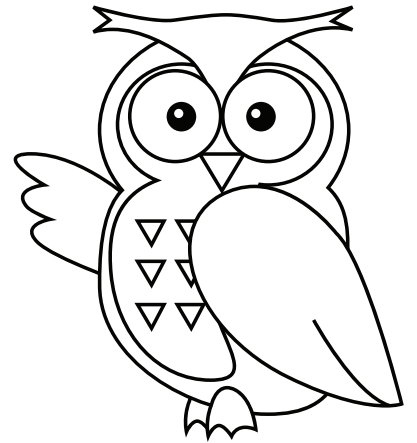

A rectangular box containing six flowers arranged in two rows of three. Below the flowers is a dashed square for pasting a number.

A rectangular box containing four flowers arranged in two rows of two. Below the flowers is a dashed square for pasting a number.

A rectangular box containing two flowers arranged in a single row. Below the flowers is a dashed square for pasting a number.

A rectangular box containing one flower in the center. Below the flower is a dashed square for pasting a number.

A rectangular box containing three flowers arranged in a single row. Below the flowers is a dashed square for pasting a number.

1 2 3 4 5

A row of five dashed numbers (1, 2, 3, 4, 5) for tracing, each contained within a dashed rectangular box.
