

I Love my School,
I Love My Friends

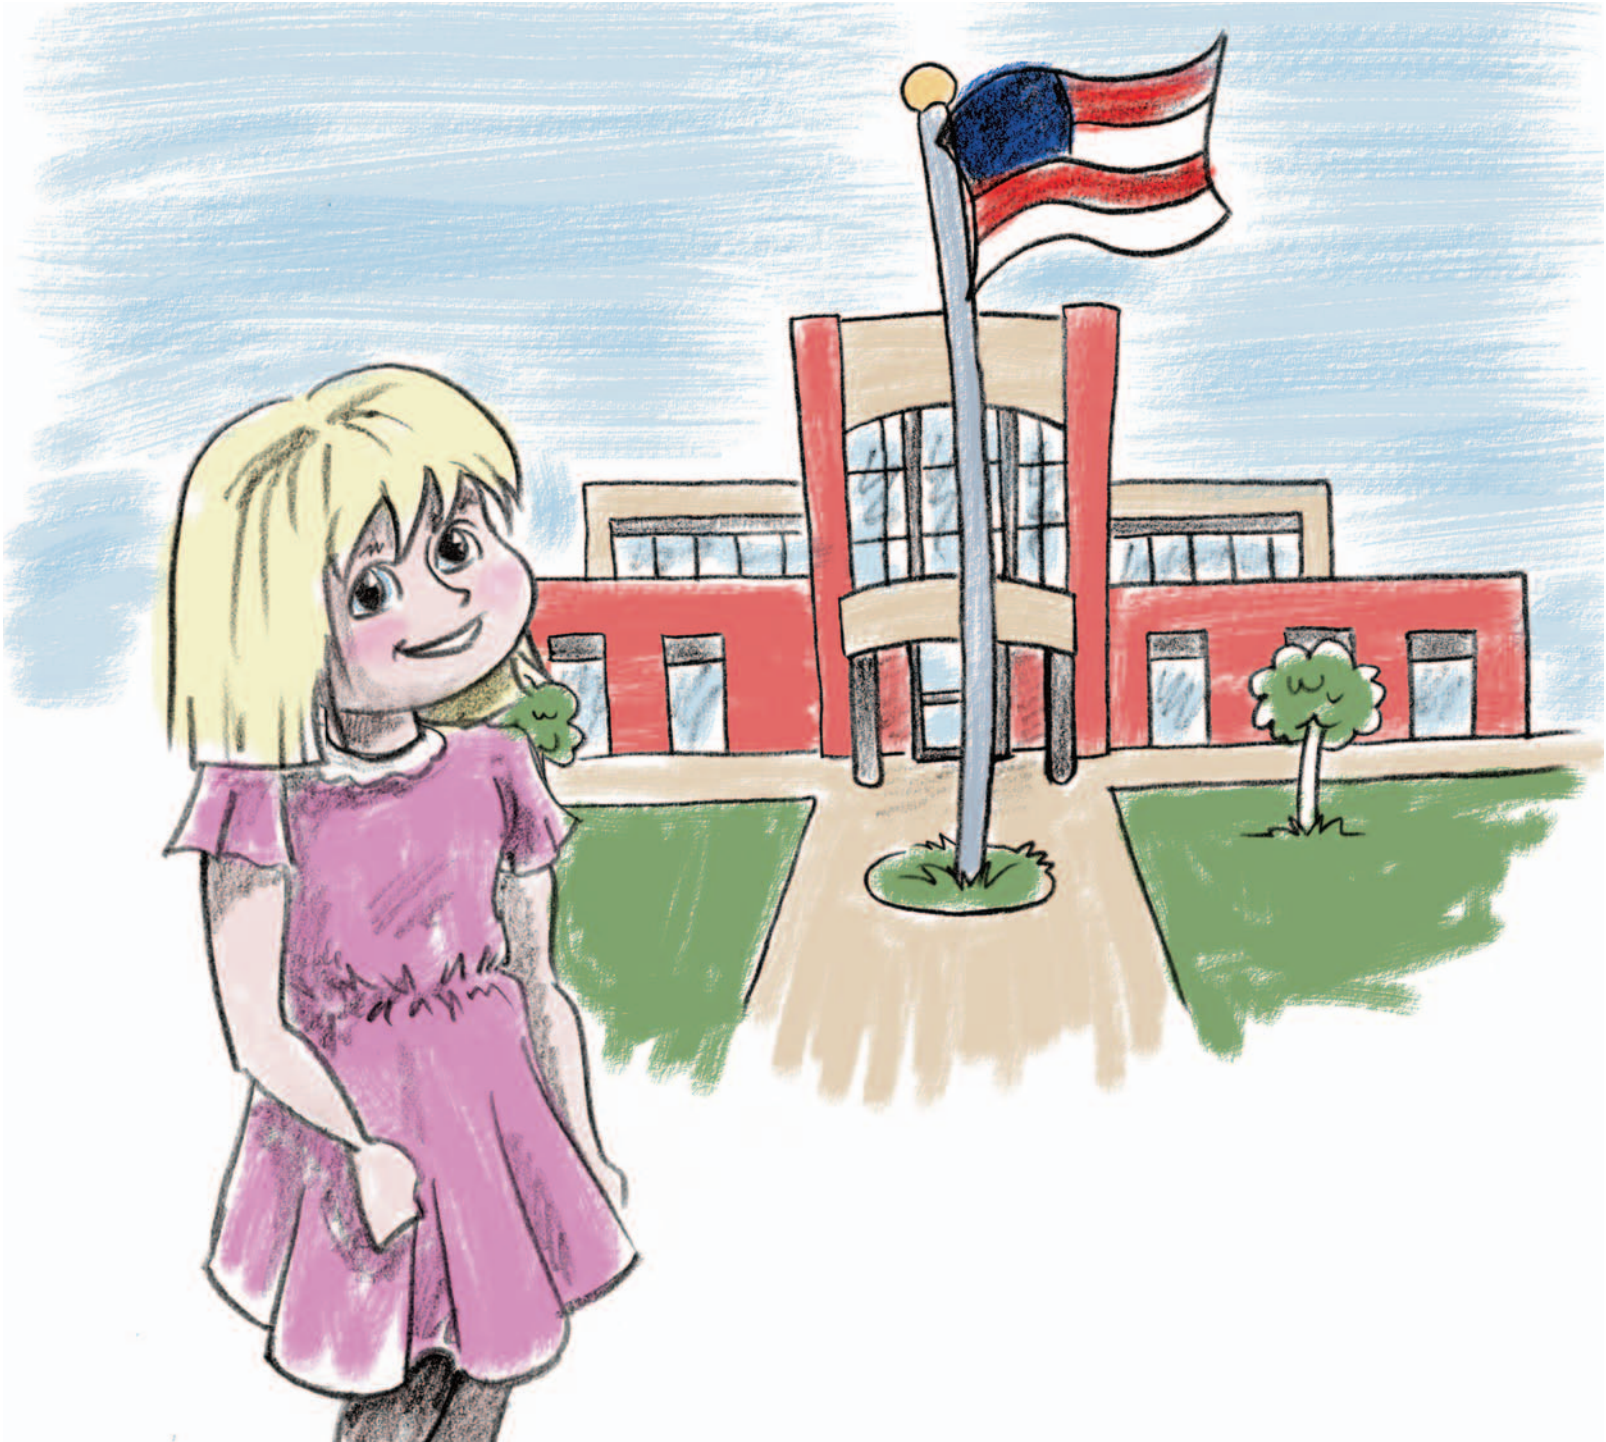

By: Alisa Harmon

I am LeAnn.

I love my school.

I love my friends.

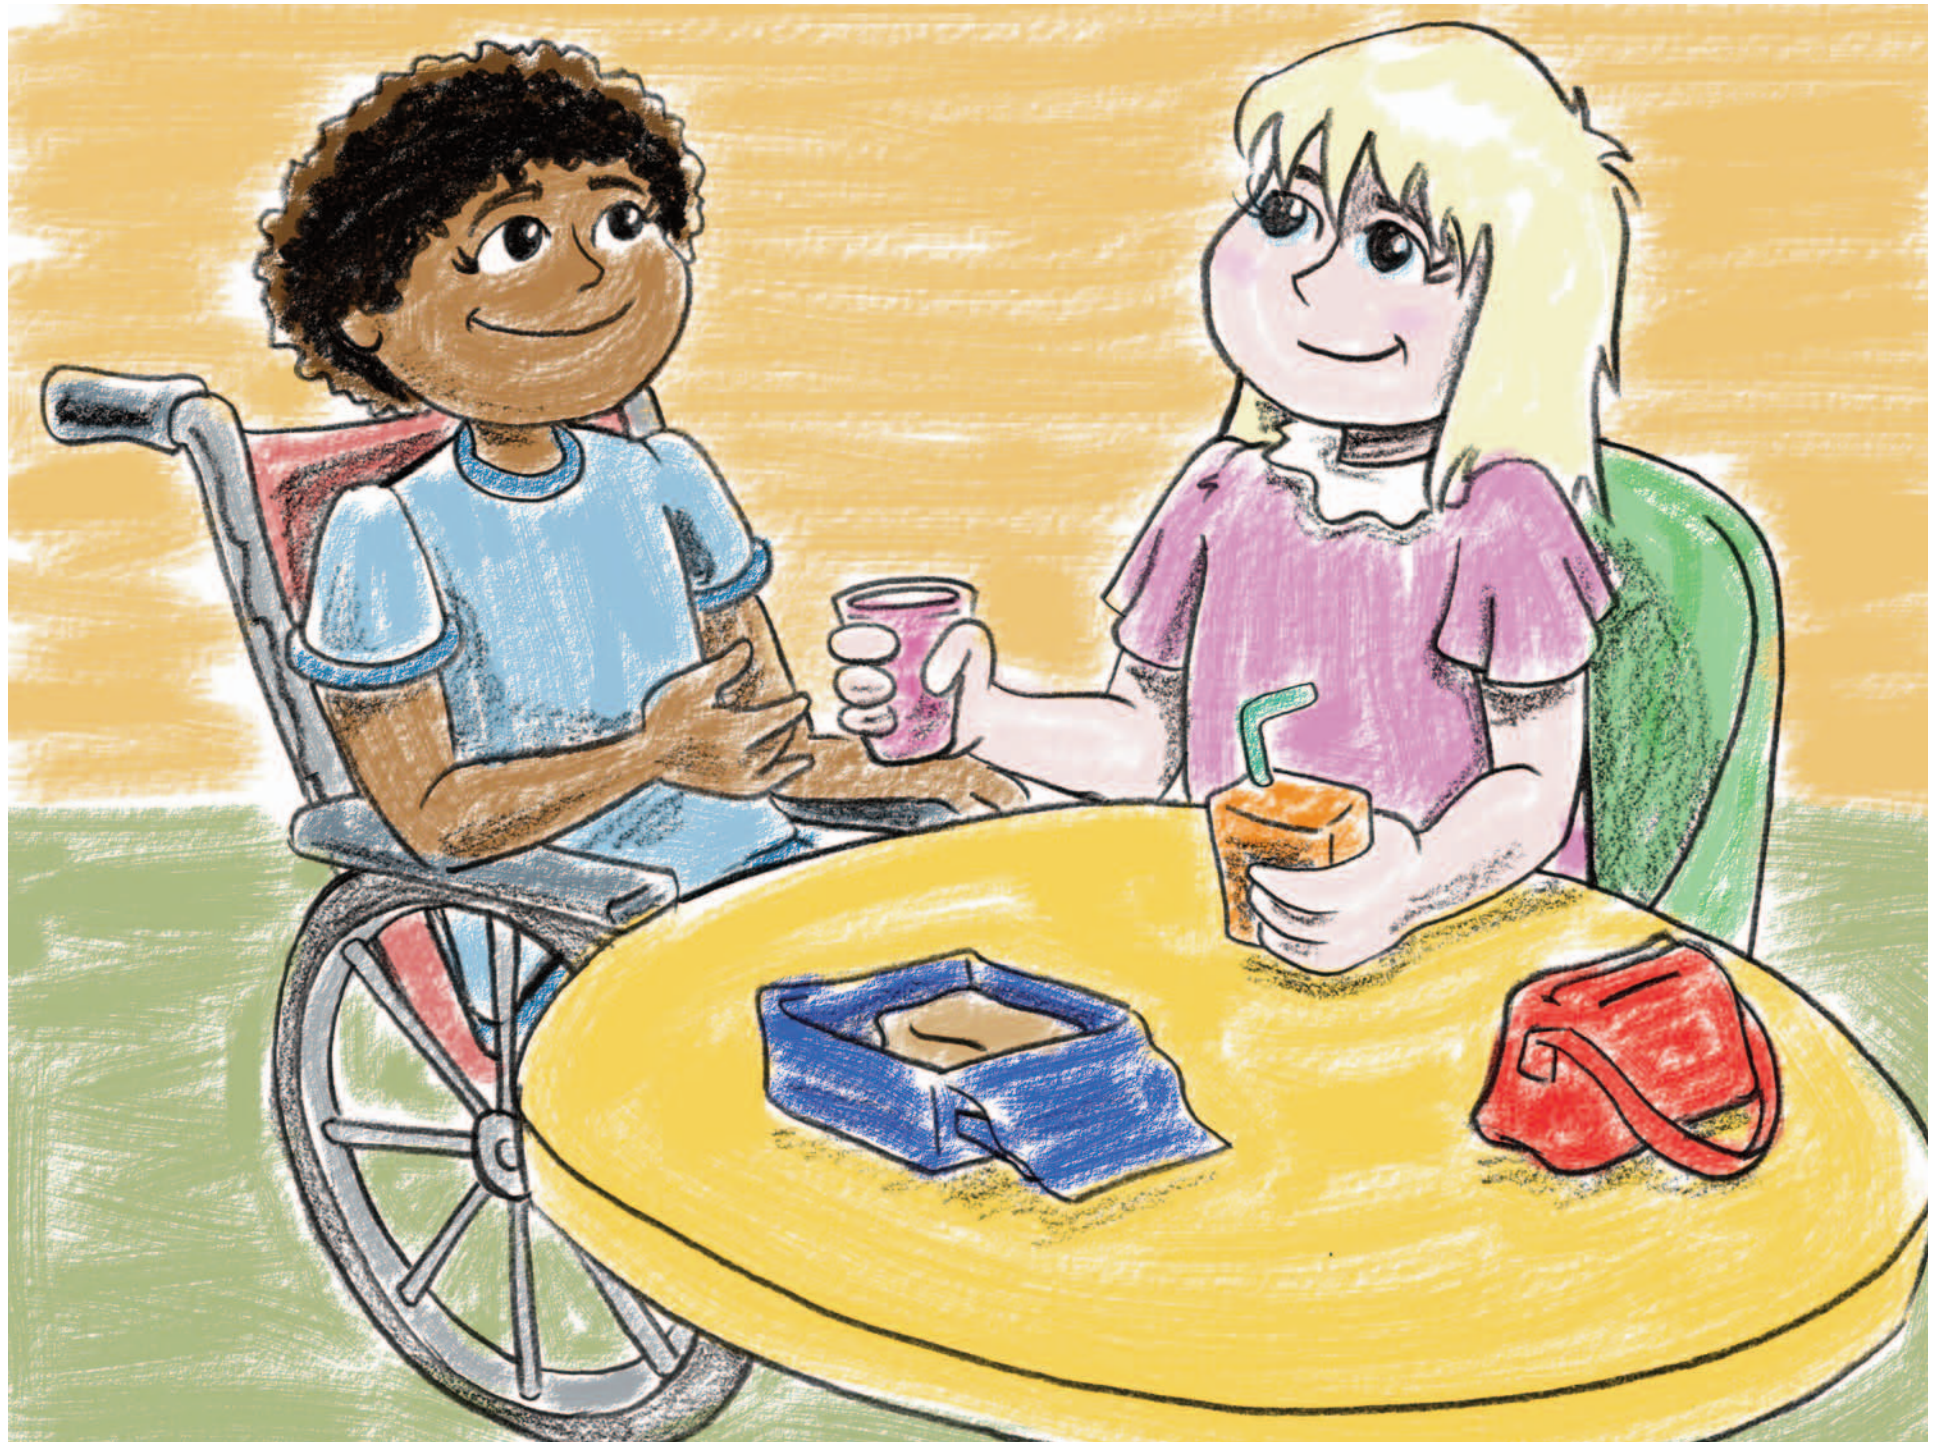

My friend, Tanner, likes
puzzles more than talking.

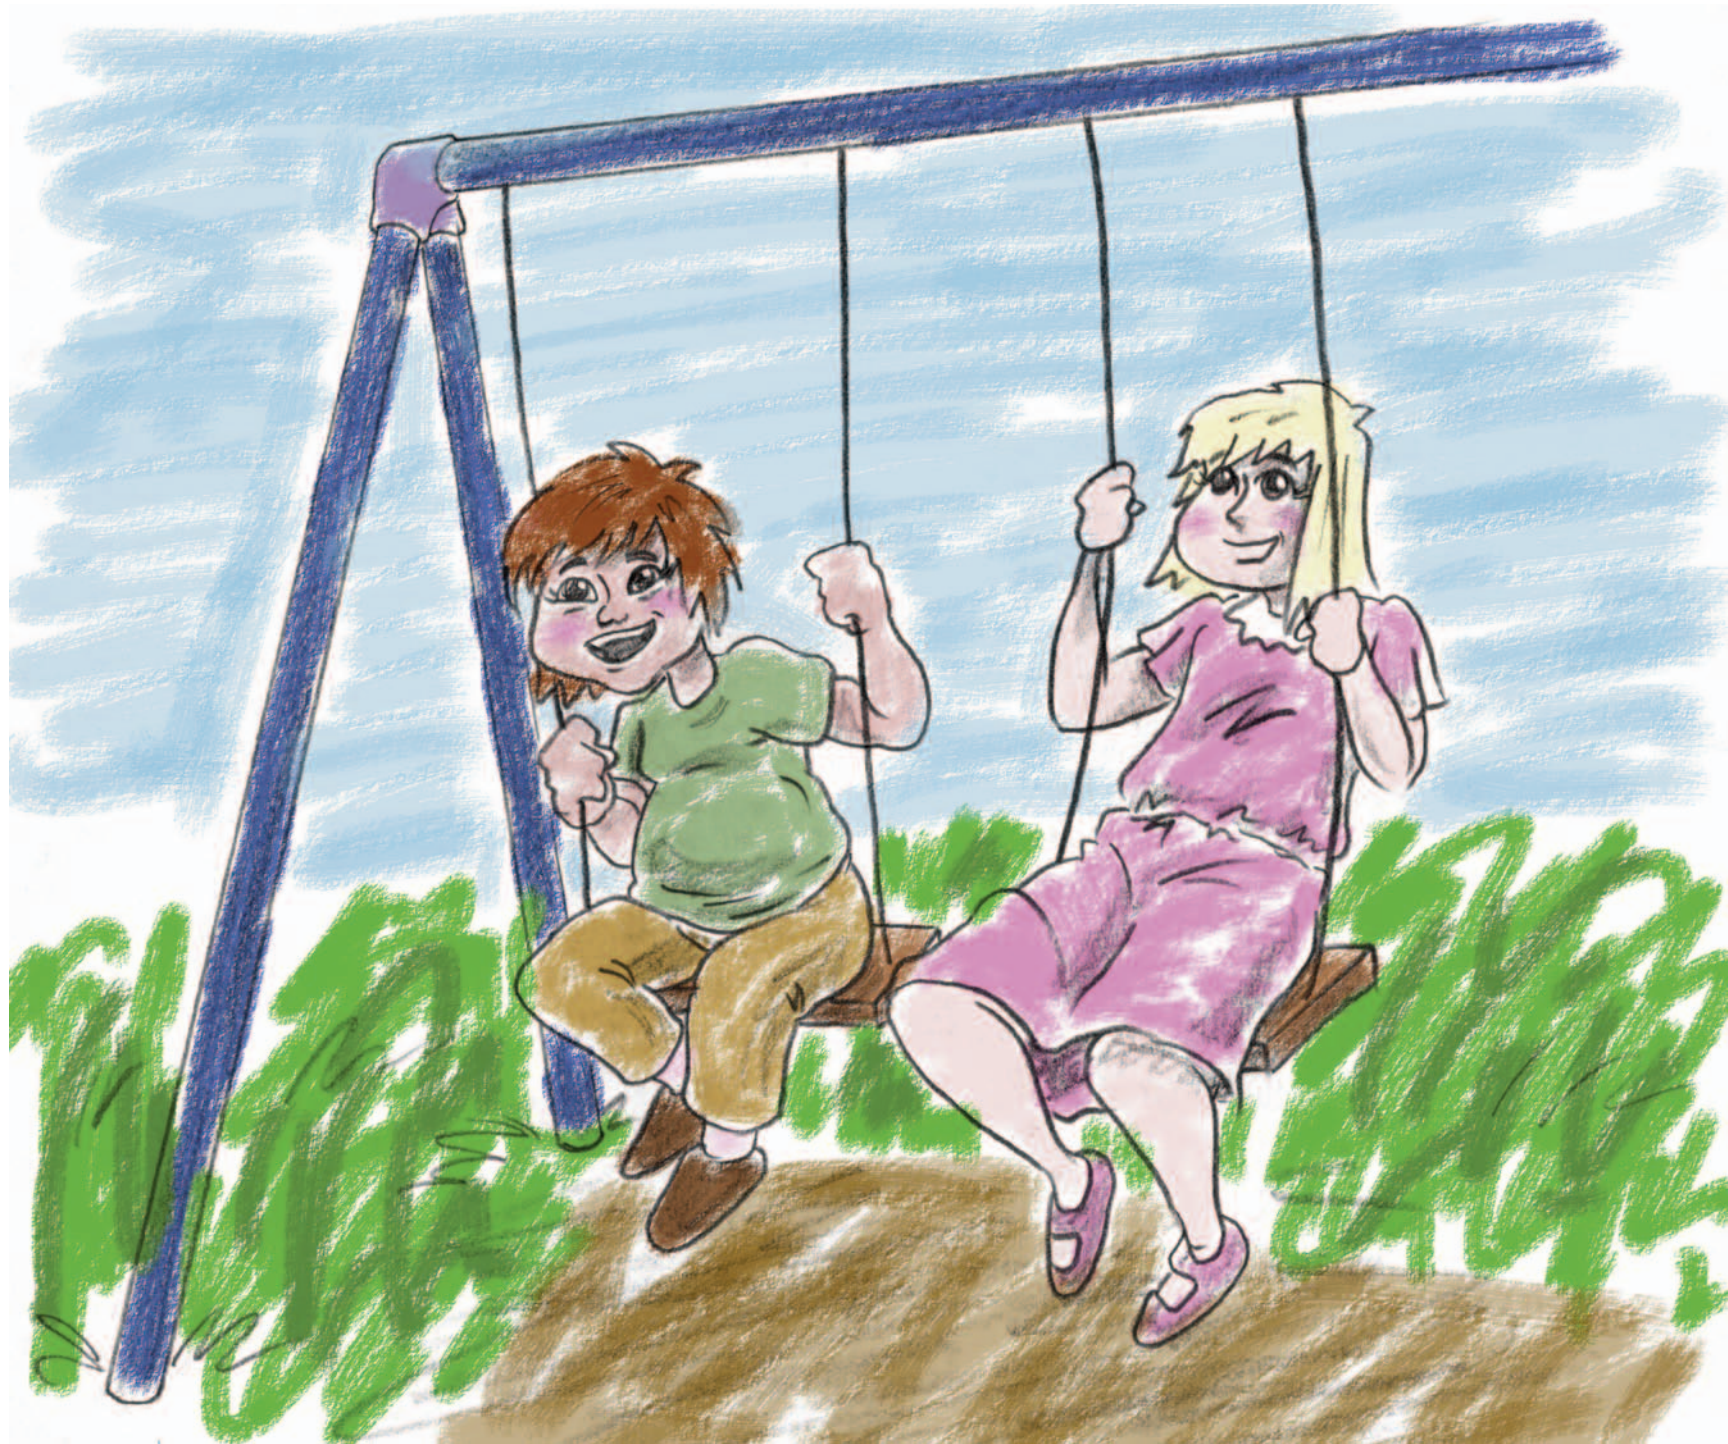

We love music class
with Mr. Rick.

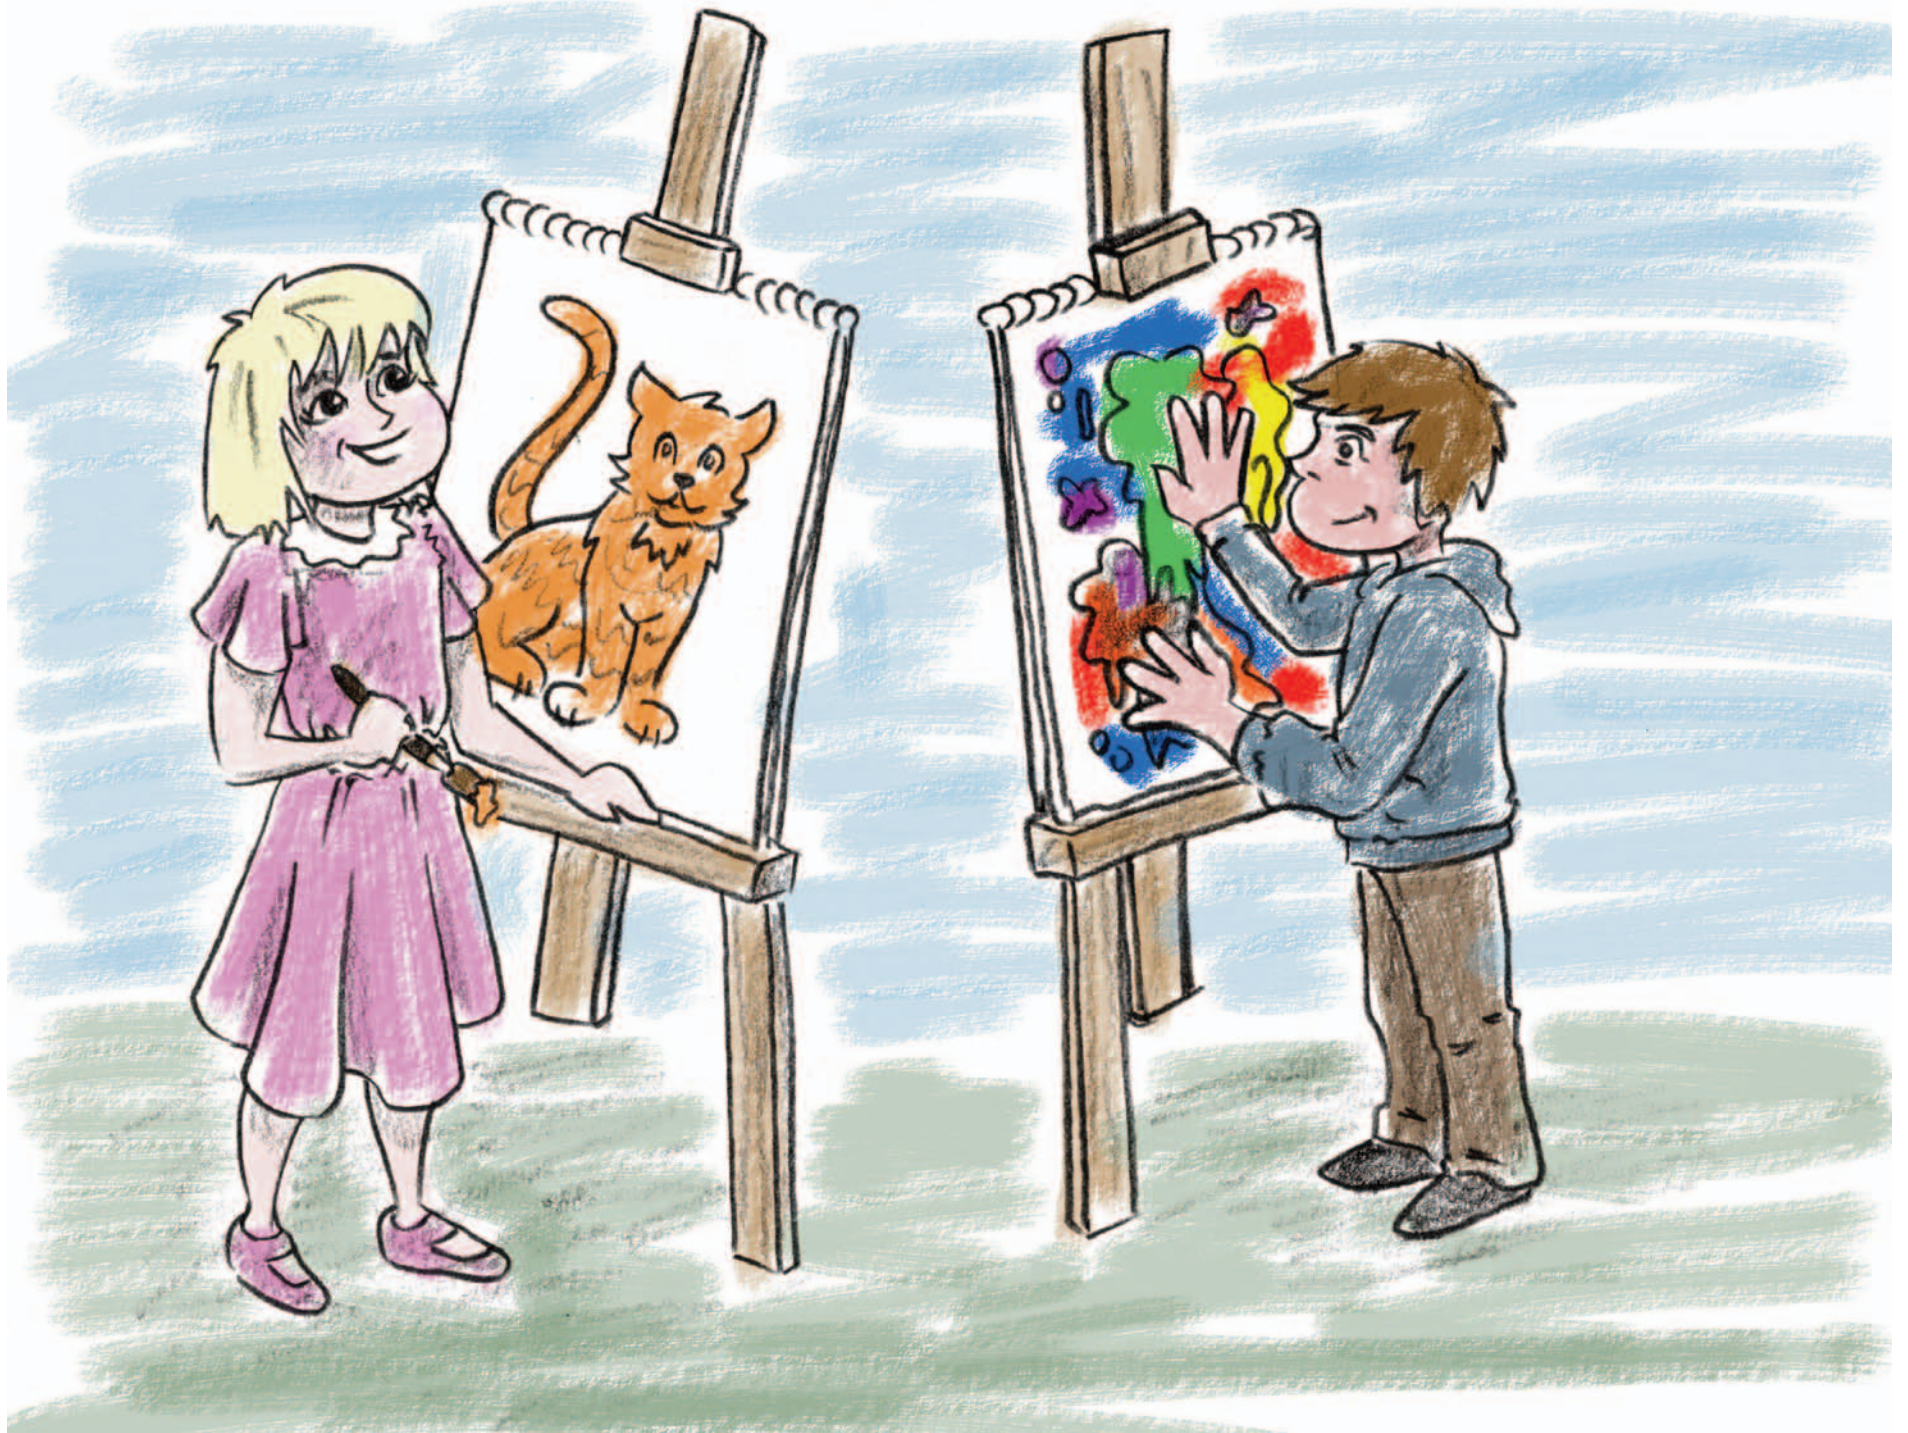

I have snack with
Zoe every day.

Eva and I play
on the swings.

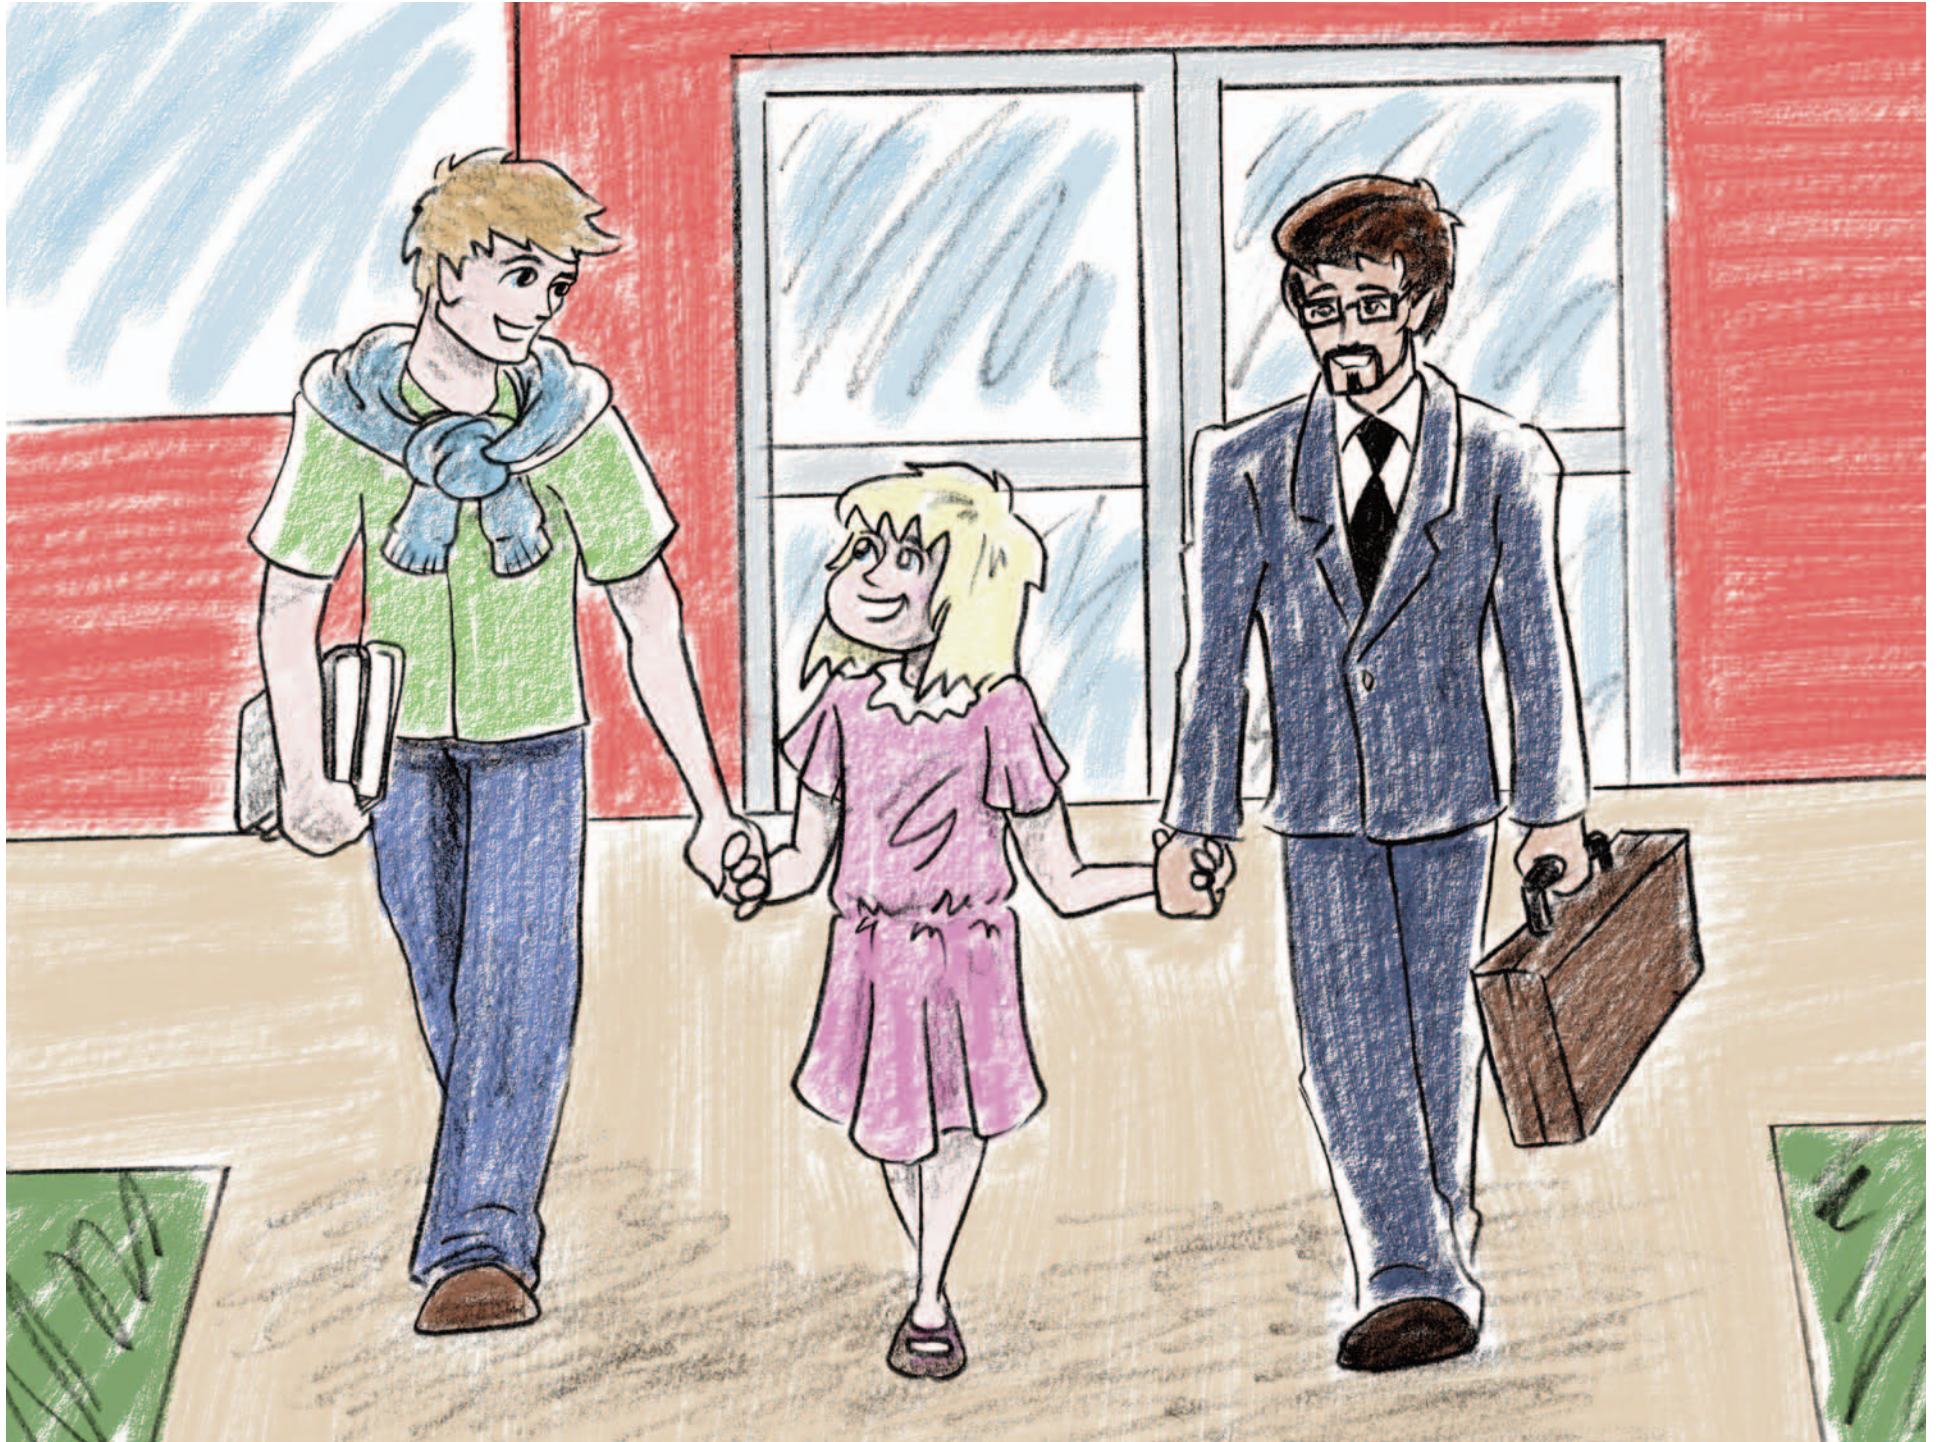

Liam uses a lot of
colors in his paintings.

At book time, Miss Alisa
helps us learn new words.

My daddies pick me
up from school.
Goodbye, friends.
I'll see you tomorrow!

The end.
